## Entitlement

### get started

How is the attitude of entitlement woven into our sin nature?

### reflect

Discuss this statement: "Where entitlement dies, servanthood begins."

### dig

Read Ephesians 5:20 and 1 Thessalonians 5:18. What do these verses say about being thankful? How does gratitude combat entitlement?

Read Joshua 17:14-16. How would you describe the attitude of those who were part of the tribe of Joseph? Have you seen that attitude before in people around you? In what way?

What was Joshua's response to the tribe of Joseph? What should our response be to people who display this same attitude?

Read Philippians 2:3-7. What is the example Paul gives us for attacking the attitude of entitlement? Is this helpful?

In what ways have you allowed the attitude of entitlement to creep into your life?

### breakout

Louie Giglio said, "Church is NOT about you, it's NOT for you!" Is that true? If it is true, then what should be our attitude when we gather together with other believers?
