

## 2 Corinthians 6:14-7:1 - Temple

- What do you think of when you think of a Temple?
- What does it mean that we are a Temple of the living God? How does that affect the way we live?
- Paul says that WE are the temple of the living God. If we all make up the Temple rather than being individual temples, how does that affect the way we interact with one another? How does that affect the way we handle conflict?
- What 'idols' do you worship? Spend time on this question, be open and honest with your Community Group.
- How can you pursue holiness this week? How can your Community Group help you pursue holiness?
