

## 2 Corinthians 5:20-21 - Ambassadors

- What is an Ambassador? What does an Ambassador do? What does an Ambassador say? What is their purpose?
- How was Paul an Ambassador for Jesus?
- What is the message of an Ambassador of Jesus?
- What does it mean for you to be an Ambassador of Jesus to the people you know?
- How would you present the message of Jesus to them? What would you say?
- Think about a person in your life who doesn't know Jesus. How will you be an Ambassador of Jesus in their life? When will you share the message of Jesus with them?
