

In the Meantime - Week 6

Sardis

1. We have been in Revelation 2 and 3 exploring Jesus' messages to the churches of Asia Minor (Turkey) for several weeks. What are some of the main themes you've seen throughout this series? How do they affect your life?
2. Read Revelation 3:1-6. In what ways are Jesus' words similar or different from his words to the previous churches? What was the key message Jesus had for the church in Sardis?
3. What are the imperatives (commands) that Jesus gives to the church?
4. What are the three promises Jesus makes to those who are firm in their faith?
5. How can you become more firm in your faith? What can this group do to help you accomplish these things?
6. How can you and I today be alert and pursue God so that we do not fall into the condition of the Sardis church?
