

Sons and Daughters: Leviticus - A People Set Apart

February 12, 2017

Read Leviticus 18:2-5 and 1 Peter 1:13-15.

1. What is God saying to his people regarding the law?
2. Why does God care about the law? (What does it do?)
3. What does God say your life should look like when you follow his commands?
4. Why do you think God was so specific in the law he gave?
5. Read Leviticus 11:45 and think about what God is calling his people to be. What does it mean to "be holy?"
6. What things distract us from greater intimacy with God and draw us away from him?
7. What things that we can do each day enhance our walk with God?
8. In your own life, what commands from God are hardest to keep?
