June 25, 2017

Read 1 Corinthians 6:12-20. What are the issues followers of Jesus faced in Corinth? When one gave in to immorality, what was that person doing to his or her spirit?

When you run from something, you run towards something else. Paul says to flee (run from) immorality. What do imagine "fleeing" would like in Corinth? What does "fleeing" look like today?

What are the reasons that Paul gives to run?

What does Paul mean by "you have been bought with a price"?

What are positive steps to be taken in running to Jesus?
