

Sons and Daughters: Run Their Pace

July 23, 2017

Talk about a time when someone went out of their way to accommodate you? How did it make you feel? Why?

In 1 Corinthians 8, Paul encourages the more mature Christians to accommodate the 'weaker brother' by not attending parties held at pagan temples. What are some modern day examples of accommodating a weaker brother?

How can we accommodate someone and not enable them to stay in their 'weakness?' Should we even worry about enabling them? Why or why not?

What would be a bad example of applying this principle of accommodating a weaker brother?

Jesus frees us from our freedom. Why do we need freeing from freedom?

Explain in your own words why running the pace of the 'weaker brother' is an important part of the Christian life.

(Leader Hint: Jesus set this example for us through becoming human like us.)
