

# Sons and Daughters: Prayer

## October 1, 2017

---

1. Pray the Lord's Prayer (Matthew 6:9-13) together.
2. What does Jesus mean in verse 11 by "daily bread"? What are we saying about God when we pray this way?
3. Because of our resources, very few in America need to be concerned about daily food needs. What do we need to trust God for everyday?
4. What is a debt? What is a debtor? How is one released from a debt?
5. Is forgiveness a process or a feeling or both?
6. Why did Jesus stress the need for us to forgive people who are indebted to us? What does it say about our relationship with God if we choose to forgive? What does our lack of forgiveness say about our relationship with God?
