

The Lord is at Hand

January 7, 2018

Read Philippians 4:4-7. What are the promises that jump out at you?

Why is it important to know God's promises?

When Paul wrote, "The Lord is at hand," he was referring to the fact that God is with his people. Think about your life right now. How does it impact you to know that God is with you in the middle of it right now?

There is another angle to the encouragement of "The Lord is at hand." Paul was also looking forward to the return of Jesus Christ. Why was he looking forward to that day?

How often do you think about the return of Christ?
Should we, as Christians, look forward to Christ's return?
Why?
