

Following Jesus Together

January 14, 2018

Jesus called his disciples in the beginning of the Gospels with the words, “Follow me.” Does Jesus still call us to Follow Him? How do we do that?

How did Jesus call you to follow him?

Read John 8:12. What did he mean by “walking in darkness”? What does he mean that those who follow walk in the light?

In John 10, Jesus calls himself the Good Shepherd (take some time to read through this great passage from verse 7 to 30). In verse 27, he says that he knows his sheep. What does it mean to be known by God?

The vision of Community Church is “Following Jesus Together.” How do you, as a Community Group, do this?
