

This is Why
January 28, 2018

1. How long have you been going to church?
Why do you come to church?
2. Read John 15:1-11. What does Jesus mean when he talks about abiding?
3. Jesus said in verse 8 that we glorify God by bearing fruit. What does that fruit look like? What fruit are you producing in your life? What fruit do you see in the lives of those in your Community Group?
4. The result of bearing fruit and abiding in Jesus is joy. What is joy? How is the same or different from being happy?
