

Created in God's Image

February 4, 2018

1. We will be looking at our 'circles' of relationships over the next several weeks. What circles do you swim in?
2. Read Colossians 3:1-5. What does Paul mean by "setting your mind on things above"? What are the earthly things that can distract our hearts from the Lord?
3. Read Colossians 3:5-11. How can the practices we are to put to death affect our circle of relationships?
4. Read Colossians 3:12-17. How does the pursuit of these priorities positively impact our circles?
5. Think back to the circles you swim in, specifically, the people in your circles. Spend some time praying for them and ask the Lord to impact those people in your encounters with them. Be specific in praying for them by name, for example, someone who needs to turn to Christ, or, a friend that needs encouragement.
