

Seasons - Promise
March 25, 2018

Read Deuteronomy 31:6. What are the challenges you see? What promises that you find in this verse?

Think about your current life situation. What difficulties are you facing that can stir up fear and dismay in your heart? How do the challenges, and the promises, of Deuteronomy 31:6 speak to those situations?

Read Hebrews 12:2. What is the joy that was Jesus' focus?

In Romans 8 Paul writes about a number of topics that encourage those following Jesus. Take some time in the week to read through this chapter and mark those promises that encourage you.

What are your plans to take time this week and reflect upon Jesus Christ's crucifixion?
