

## Philippians - Intro

April 8, 2018

---

Read Paul's greeting to the church in Philippi in Philippians 1:1-2.

Watch The Bible Project video on Philippians (go to [youtube.com](https://www.youtube.com) and search 'The Bible Project Philippians' and it will pop right up). It gives an excellent overview of Paul's letter to the church in Philippi.

What's the main point of this letter? Who is writing? Who is he writing to? Where are they located?  
(Google it if you're not sure)

Read Acts 16:6-10. Why did God close doors? What opportunities did the doors God opened create?

How would you define a saint? How would the popular culture define a saint? What makes someone a saint in the eyes of God?
