

Seasons - Wilderness

March 18, 2018

What did you do for Easter?

Read Luke 24:13-35. In verse 16 Luke records that these two were kept from seeing Jesus. What would be possible reasons for that? Who kept them from seeing Jesus?

How well were the Christ-followers processing the events of Jesus' crucifixion and reports of his resurrection? What does it reveal about their hearts?

Jesus said that it was necessary for the Christ to suffer. Why was Good Friday necessary? Why was the resurrection necessary?

The two exclaimed to one another, when they finally knew they had been with the risen Jesus, "Did not our hearts burn?" What were their hearts burning about?

What role does God's Word have in setting your heart on fire?

Does knowing and believing Jesus is risen from the dead affect the way you live today? How?
