

This is Living Now - Living for God's Pleasure
April 29, 2018

What motivates you? What makes you want to get up in the morning?

What is the difference between living for God's pleasure and living to prove yourself?

We said that Living Now means Living for God's Pleasure. Read Philippians 1:12-18.

What situation was Paul in at this time? Why is Paul rejoicing that he is in prison?

Read Philippians 1:19-26. Has there ever been a time that you were ashamed of Jesus? Why do you think people are ashamed of Jesus?

As you look at these verses what does it tell you about Paul's attitude? In what ways is your attitude similar or different than Paul's?
