

This is Living Now - Attitude is Everything

May 20, 2018

Think of a time that you *really* wanted something. Share it with your group.

How many times did you whine about that thing that you *really* wanted? Why is that the things we want/wish for often become the things we whine about?

Read Philippians 2:12-13. What does it mean to 'work out your salvation with fear and trembling?'

Why does v. 12 say to work out your salvation with 'fear and trembling?' I thought God was all loving. We shouldn't fear someone we love should we?

Read Philippians 2:14-16. Make a list of the types of things that would fit into the category of 'all things.' How many of those have you grumbled about? Why is it so easy for us to grumble/complain?

How can you adopt an attitude of gratitude instead of grumbling this week? How can your Community Group help you do this?

Spend some time thanking God for the gifts He gives us.
