

This is Living Now - Attitude is Everything

May 20, 2018

1. What sorts of things or situations make you discontent?
2. Read Philippians 4:10-20. What challenges was Paul facing when he wrote this letter? How did the Philippians encourage Paul?
3. In verse 12-13 Paul speaks of being content in spite of his circumstances. What did he mean being being content?
4. What was Paul's "secret" to contentment in all the circumstances he faced? How did he see God at work even in his difficulties?
5. We have finished our study of Philippians called "This is Living Now." What are some of the key points you are taking away from our study of this book? How has it affected your life?
6. Paul's letters usually end with a blessing to those he has written to (look at Philippians 4:21-23). How do you say "Good-bye" to someone? How can you, as a follower of Jesus Christ, encourage someone with a blessing without being awkward?
