

The Future Starts Now

August 26, 2018

1. Think about a couple of times in this past week that you saw God at work. Take a moment and share with your group.
2. Read 2 Timothy 2:1-7. What are some of the key points of encouragement Paul is giving to Timothy? Which ones resonate with your heart?
3. Read verse 2. Who was faithful to share the story of Jesus with you?
4. What people do you have in your life that you could share the story of Jesus with? What will you share with them about who Jesus is to you?
