

The Simple Life: Justice

August 5, 2018

1. Micah is a prophet who challenges God's people. Read Micah 6:1-8. How have the people disobeyed the LORD? What is the response of the people? What does God expect?
2. What does God mean when he calls his people to "do justice"? How does this reflect who God is?
3. How do we know whether or not something is 'just?'
4. Jesus was asked, "Who is my neighbor?" What was the motive behind the question? According to the parable Jesus told of the Good Samaritan (Luke 10:25-37), who is our neighbor? Who are the neighbors you come in contact with? Who are you favorite 'neighbors?' Who are you least favorite 'neighbors?'
5. How does doing justice provide hope?
