

Advent - The Gift of Joy

12/16/18

1. Name as many Christmas songs with the word JOY in it. Why do you think Joy and Christmas go hand in hand?
2. Is there a difference between joy and happiness? Share why you believe what you believe.
3. If Hope is anticipation and Faith is action, what do you think Joy is?
4. Read Luke 2:8-11. What promise did the angel give to the Shepherds? How do you think the Shepherds felt when they heard these words?
5. Why did God choose to announce the Saviors birth to the Shepherds first?
6. Where do you think Joy comes from?
7. What are some promises in God's word that you continually go back to? Why?
8. Read Psalm 16:11. What does this verse say about Joy?
9. Spend some time praying for people that you can invite to church who may need some joy during this Christmas season.
