1. How do you know if someone has a great life? What things do you look for in their life?
2. Read John 10:10. What does it mean to have life abundantly?
3. Read Psalm 1. What things stand out to you in this Psalm?
4. What does it mean to meditate on the law (instruction) of the Lord?
5. What does it mean when Psalm 1 says 'In all that he (the blessed man) does, he prospers?' What does it mean to have a prosperous life?
6. Did Jesus have a 'prosperous life?'
7. What sort of rhythm do you have for regularly engaging with God's Word? (Leader: If many in your group don't have a rhythm for this, consider doing something as a group.)
