

# The Greatest Life - The Steps We Take

1/27/19

---

1. How does our culture measure greatness? In what ways do those measures agree with God's measures? In what way do they go against what God says is your greatest life?
2. Read Hebrews 11:1. How do you put this definition of faith in your own words? What does it look like for you to take a step of faith?
3. Scan Hebrews 11 and pull out several names. How do their lives illustrate faith in God's promises? Were their times when they did not live by faith? Did God's promises for them ever change?
4. Think about the different areas of your life. What is (at least) one step can you take this week in following Jesus?
