

More Like Jesus - Imitators Not Impersonators

2/25/19

Does anyone in your group do a good impersonation?
What's the difference between an Imitator and an Impersonator?

Does God want us to impersonate Him or imitate Him?
What does that mean? Read Ephesians 5:1.

Colossians 3 says that we are to put to death what is earthly in us. What "earthly" things do you need to put to death in your life? Put to death means to take away the power of something. How do we do that with sin in our life?

Following Jesus should make us more like Jesus. As you think about your journey of following Jesus, what areas of your life have changed since you started following Jesus? Which ones need more work?

Read Colossians 3:12. What 3 things does Paul mention about our identity at the beginning of these verses? Which one of these 3 means the most to you and why?

What list of things does Paul tell followers of Jesus to "put on" in Colossians 3:12-14.

Take some time as a group to pray Colossians 3:15-17 over one another.
