

## Ephesians - Whole Heartedly

3/10/19

---

1. Start your time off with some “Yay God!” moments. How have you seen God at work this week?
2. You are talking with a friend, and they ask you, “What is all this Gospel stuff?” What is the Gospel? How would you explain the Good News to someone who doesn’t know?
3. Read Ephesians 1:1-14. What promises do you see in this passage?
4. What evidence of the Trinity (God the Father, God the Son, God the Holy Spirit) do you find? What does this say to you about God’s commitment to his people?
5. How do we respond wholeheartedly to the God who is wholehearted for his people? How do the promises of these verses impact our week at work? At school? In our neighborhoods? Under our roofs?
