

## Ephesians - Jews & Gentiles

3/31/19

---

Make plans to attend the new Worship Album release night on May 3 at 6:30 as a Group!

1. Read Ephesians 2:11-22. What is the overall message of this passage? (Leader hint: Read v. 11,12, 13, 19, and 22.)
2. What's a Gentile? Why is that important to this passage?
3. Why was there tension between Jews & Gentiles?
4. Read v. 14. What does it mean that He (Jesus) himself is our peace? What does it mean that He (Jesus) has made us both one?
5. Read Galatians 3:28. What does it mean that we are all one in Christ Jesus? Why is that good news?
6. Who are the hardest Christians for you to get along with? Why is it essential for you to pursue unity with them instead of division?
7. How can you, practically speaking, have a posture of unity rather than a posture of division with fellow Christians?
