

Ephesians - The New You

4/21/19

Make plans to attend the new Worship Album release night on May 3 at 6:30 as a Group!

How did you celebrate Easter? Why is Easter such an important celebration?

Why is it important that Jesus rose from the dead? Is it important that He was physically raised and not just spiritually? Why?

Read Ephesians 4:17-24. Would the message of this passage still apply to our lives if Jesus was still dead?

How can you be something and still have to become that something? How can Jesus say you are righteous and need to become righteous?

Describe what Paul means by 'Old Self' in this passage? What does it mean to take it off? Give an example of how you have taken off the old self within the past month.

Describe what Paul means by 'New Self' in this passage? What does it mean to put it on? Give an example of how you've put on your new self within the past month.

Who are you becoming?

Who does God want you to become? Are who you are becoming and who God wants you to become the same thing? Why or why not?
