

Ephesians - Walk This Way

5/5/19

Share a story of your kids embarrassing you or you embarrassing your parents.

The more time we spend with people, the more we become like them. What does Jesus invite the disciples to in Mark 3:13-14?

Read 1 John 2:6. How are followers of Jesus called to walk?

In Ephesians 5:1-19 Paul gives us several characteristics of someone who walks as Jesus. Read through the passage and discuss what those characteristics might be.

Which one of those characteristics is most difficult for you? Easiest for you?

Do you agree with this statement? “You walk AS Jesus when you walk WITH Jesus” Why or why not?

Spend time praying for one another to walk with Jesus this week.
