

## Ephesians - What God Does Next

5/26/19

---

1. We finished Ephesians last Sunday. Read Ephesians 6:21-24. How are Paul's closing words made more powerful because he is writing this from a Roman prison?
2. Take a few minutes and individually review the book of Ephesians. What have you discovered about God, the church, and yourself over the past weeks? How does that impact the way you follow Jesus?
3. One of the key themes throughout the book is unity (Ephesians 2:14-22). What is the basis for unity between followers of Jesus? What are the threats to unity? What can you do to promote unity?
4. In Ephesians 3:14-19, Paul prayed for the believers that they would experience the immensity of Christ's love. Take time to pray for one another, specifically that they know the fullness of the love of Jesus today!
